The Lakeside High School Orchestra Association (LHSOA) organization works on behalf of the Lakeside Orchestra program on exciting educational opportunities for all levels of the Orchestra program. In order to provide these educational and team building activities for all students, we need your support. Your financial support will help to purchase necessary materials to expand the program, bring in conductors and clinicians for development, and allow students to participate in festivals and competitions that will also develop their skills.

The annual membership dues are \$50 per student.
